

CASE STUDY – LIME WOOD PRIMARY FREE SCHOOL, ERITH

CLIENT:

London Borough of Bexley

CONTRACTOR:

Erith Hills LLP

GDV:

£18m

DURATION:

2 Years

BUILDING TYPE:

600 Place, 3 Form of Entry,
Primary School

FORM OF CONTRACT:

Bespoke

DESCRIPTION OF PROJECT:

Circular in shape, Lime Wood Primary Free School was designed as an exemplar space in which 600 students can thrive.

It's use of concrete, timber and expansive glass is an echo to the historic quarry and tree belt that the school now resides on.

OUR INVOLVEMENT:

Historic work within our time with Anderson's from inception to clad frame, has since been taken on by us through appraisals, subcontract and project management.

Particularly enjoyable has been teaching basic construction to Lime Wood's existing pupils.
