

THE QUARRY, ERITH

CLIENT
Erith Hills LLP

CONTRACTOR
Anderson Design & Build

GDV
£254m

DURATION
8 Years

NO. OF UNITS
850

DESCRIPTION OF PROJECT:

850 highly desirable units built on challenging topography.

A highly sloping site overlain by 28m of variable fill, this site became the case study for the standards defined in the Definition of Waste Code of Practice: DoWCoP.

OUR INVOLVEMENT:

Initially responsible for building the LLP from its inception at our last company, our involvement post-Anderson has been appraisal, commercial reporting and a continuing advisory role as both Client's and Contractor's Surveyor and Project Managers.

Latterly we have been involved in remeasuring the site infrastructure.
