

CASE STUDY – PROSPECT WAY, HUTTON

CLIENT:
Grants of Shoreditch Limited

CONTRACT VALUE:
£2.5m

DURATION:
24 Weeks

NO. OF UNITS:
4 commercial units in one large building

FORM OF CONTRACT:
JCT 2016 Design & Build

DESCRIPTION OF PROJECT:
The project is for the careful demolition of existing units at Prospect Way, Hutton and the new construction of a large steel framed commercial unit that can be sub-divided into four individual units.

OUR INVOLVEMENT:
Working on behalf of the Contractor we undertook the production of a Bill of Quantities.
We then assisted in the negotiation of the letting of the build contract.
Going forward we were involved in both commercial and project management disciplines of the project's delivery.
